This is the Second year for the Tax Day Omnium. Adding on to the very successful 2021 Tax Day race this will bring the event to a whole new level. This year we have added two more events, a Time Trial and Criterium on. This will be an Omnium format based on Stage race Rules, All riders must start each stage to complete in the next stage.

Starting on Friday with the new Time Trial in the morning and a Criterium raced in the afternoon. Saturday with the Gap Road Race which features a grueling climb with a fast decent and rolling down hill to the finish line, with most riders completing two laps and the Pro Cat 1-2 Men riding three laps, truly the strongest riders will rule the day.

On Sunday the race is the normal Tax Day Circuit Race, with a new title sponsor Eagle Fuel Stop this will prove to be a battle for the overall Omnium prizes. The same rolling course will be used.
